

2018, December

Sunlight Center is situated in the Danube Delta area (Dunavatu de Jos, Tulcea County, Romania). Raza Soarelui-Sunlight is the only charity organization in an isolated, perspective limited area. The majority of the local community consists of fishermen that lately have to deal with poor fish catch and the Among the schools of Dunavat and Murighiol we have noticed many children from underprivileged families that have consistently scored very low on school tests and are at risk of school drop out.

Dear Martien & Tiny,

Dear Brothers and Sisters,

God blessed more than 6000 children in Danube Delta. December came with gifts for these children from the Team4U-UK Organization. We had a large group in our area from the organization Teams4U-UK, for a week. During this week, we visited more than 1,500 children, and they were glad for the gifts. We also enjoyed the presence of Mike. Mary Lou, Trevor and Daniela, who helped us a lot. We visited the schools in Ciucurova, Agighiol, Valea Nucarilor and Murighiol as well as the Special Needs School in Tulcea. We also visited over 150 very poor Gypsy children in a suburb and the Gypsy Turks families from Babadag. It was a unique experience for our guests.

In the Sunlight Center, the children were preparing for the Christmas Celebration. Next Saturday, we will invite their parents and the children will present passages from the Bible, including everything that happened the night Baby Jesus was born. Some are shepherds, some angels, some mages and we also have Joseph & Mary. We wish you all a Happy Christmas with your families!
